FLOOR LAMPS

Daylesford

A timber stem and base with a dusty pink spun steel dome.

Daylesford is a straight timber stem set into a round timber base, topped with a spun steel dome powder-coated in a soft dusty pink. The dome points the light down onto a book or a side table, and the colour warms the timber beneath it. A reading lamp with a little personality.

Sizes and prices (AUD, incl. GST)

1300 mm	1300 mm high, 300 mm shade, 260 mm base	$1,420

Timbers

Messmate · Spotted gum · Marri · Tasmanian blackwood (+$170)
