CANDELABRAS

Kanangra

A timber frame holding a row of frosted glass rods, built for high ceilings and open-plan rooms.

Kanangra is a simple open frame of four timber pieces, two long rails and two end blocks, holding a row of vertical frosted glass rods that glow evenly from end to end. It fills a double-height space or a long kitchen island with light, and the rhythm of the rods recalls the cliffs it's named for.

Sizes and prices (AUD, incl. GST)

1200 mm frame	1200 mm long, 600 mm wide, rods 900 mm	$3,400
1800 mm frame	1800 mm long, 600 mm wide, rods 900 mm	$4,200

Timbers

Messmate · Spotted gum · Marri

Tasmanian blackwood (+$410)

Specifications
